TASK:

Investigate an environmental issue that is impacting the globe and explain why Catholics are called to respond.

Present your research as a report of approximately 600-800 words.

The report must include the following information using appropriate subheadings:

1. Description of the issue (300 words):
   a. Define
   b. Causes
   c. Impacts on humanity. Use statistics.

2. Why Catholics are called to respond to this issue (400 words).
   Consider directions from:
   a. The Bible
   b. Catholic Social Teaching Principles
   c. Laudato Si

3. Outline personal actions you could take to address the issue (100 words).

You will have 4 lessons to complete your report

You may choose one of the following environmental issues to research:

- Air pollution
- Global Warming
- Destruction of coral reefs
- Deforestation
- Ozone Layer Depletion
